## Ye Olde Editor Says...

Welcome to the special Field Day issue. I have received pictures from KB3VHT and N3EQP...thanks for the pictures OM's! I also have another surprise as well...hint: Ye Olde Editor got to ride in a pace car race in a high-end BMW around serpentine bends approaching speeds of 60 MPH! What a rush!

Without further ado...here is your Field Day issue! Enjoy!

Jack Layton, W9UK, spoke to the club about antennae and related topics on July 11<sup>th</sup>. His presentation was both informative and interesting. Ye Olde Editor now understands how velocity factors affect antenna length! Thanks for spending time with us Jack! Good job! I can say with complete confidence that we all learned something from your presentation!

## Upcoming Elmer Night Speakers

President Art, WA3BKD, wanted me to let the club know that he has secured some speakers for the SECOND Wednesday for Elmer night topics. The fun and merriment starts at 7:00 PM. In August, Paul Pinyot, KB3LZP, will be talking about 5 tube radios and restoration techniques with said radios. In September, Bob Bastone, WC3O, will present PL-259 installation K3LR style. Ye Olde Editor will present "Estate Planning for your Amateur Radio Equipment – Now What?" in October. Be sure to join in these informational and educational sessions!

## Pittsburgh Vintage Grand Prix

Ye Olde Editor was at the Pittsburgh Vintage Grand Prix at turn 1. Fellow SCARCer N3EQP was at the 911 aid station. I rode in a pace car and got to see the course – the natural topography of Schenley Park makes for a wicked race track! Enjoy the pics! 73 de Ye Olde Editor...
