Dear Mr. Thompson:

It gives me great pleasure to advise you that at the meeting of **the ARRL Executive Committee just held**, the application of your club for affiliation with the ARRL was formally presented and your club declared a duly affiliated society. A charter will be sent you under separate cover.

It is suggested that you keep in touch with the nearest ARRL Communications Department representative (SCd) elected by ARRT. members in your territory (see page 6 (QST) ) and endeavor to keep him advised of the activities of your club members.

Your SCM would, **we feel** sure, like to have a full complement of appointments and qualified operators in different capacities right in your club organization. I refer to such appointments as those for **Official Relay Station, Official Broadcasting Station, Official Observer, Official Phone Station**, and Official Experimental Station. These are all explained fully in the Operating Booklet.

If **not all your amateurs are registered in the** ARRL Emergency Corps, please ask us to send a s mane application forms as you can use. Also, if there is no local Emergency Coordinator 'please re commend a qualified member to the SCM for appointment.

Kindly arrange to keep us posted on any change in the officers of your club so our records will be correct.

Sincerely yours,

Lillian M. Salter  
Communications Assistant
